**In each of the 15 questions, you will be presented with a statement about a personal attribute. You are asked to consider the extent to which the statement is relevant to you. In this survey, there are no right or wrong answers. Simply answer in a way that is most like you.**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1. My goals in life are clear.					
2. I am confident in what I do.					
3. I can work even when things are disorganized.					
4. I consistently put full time and effort into everything I do.					
5. I prefer achieving my goals than assisting others to achieve their goals.					
6. I would describe myself as an extremely competent person.					
7. I prefer working within a stable rather than flexible environment.					
8. I am ambitious.					
9. I am confident in my abilities to complete difficult tasks at work.					
10. I am happy to make speeches in public.					
11. It is very important for me to achieve my goals.					
12. I don't like unexpected responsibilities.					
13. I approach life in an easy-going manner.					
14. I like to react to things on the spur of the moment.					
15. I strive to do the best I can.					

**Please write below a personal statement in 500 words or less explaining your short and long-term academic and career goals. Indicate how working at the Laboratory of Archaeology will help you reach those goals.**
